ODBv4 Quick Reference

This document is a Quick Reference for comparing the current ODB to ODBv4.
The first column shows old ODB, then the second column shows where to access this in ODBv4.
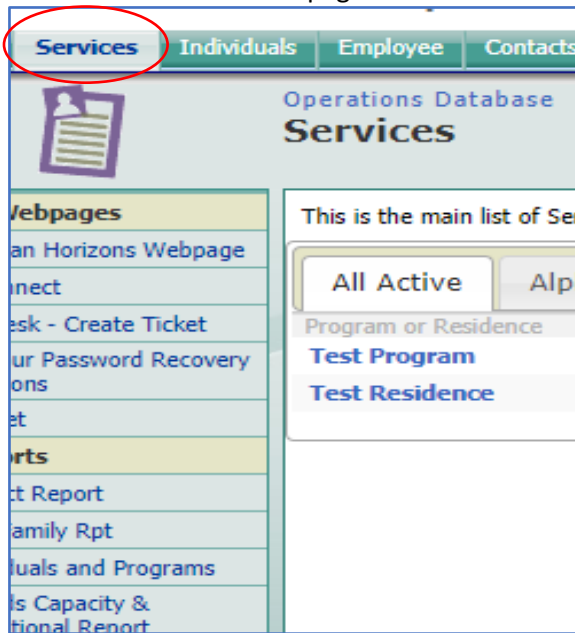

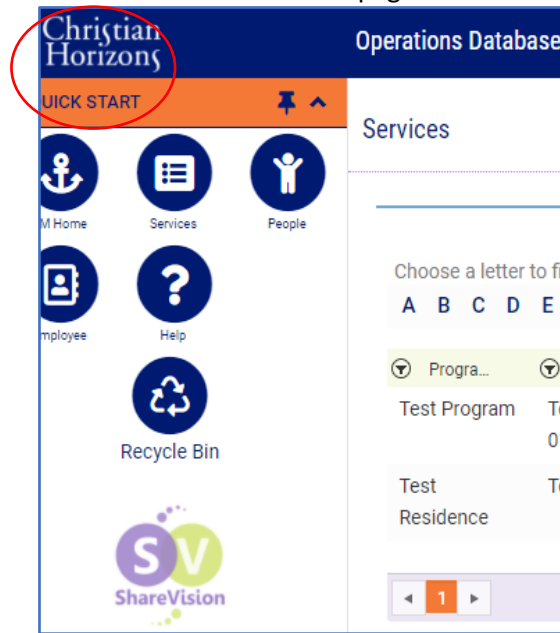

Web address for the new ODB

https://odbv4.chconnect.org/

| ODBv3 Looked Like This	ODBv4 Looks Like This

Services – Accessing Services was through the Services TAB on the home page

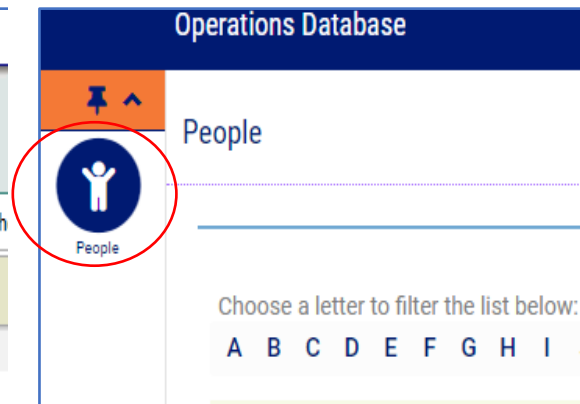

Services – Access to **Services** is now through the **Services Portal** on the home page

---

Individuals – To access information for individuals that you support, this would have been under Individuals tab in ODB

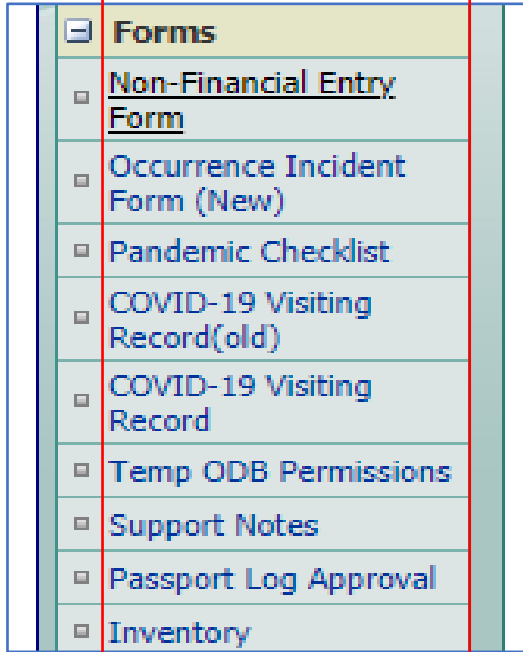

People – Now in ODB4, the **People** you support, and their information is accessed under the **People Portal**
