EXCELLENCE **in Action**

CALL FOR NOMINATIONS

Do you know someone who has made excellent contributions to their community this past year? Nominate them today for an Excellence in Action Award! Nominees can be donors, employees, family members, community partners, people who use our services, stakeholders, vendors, or volunteers.

This year, we are introducing a new category: Dedicated Contribution. This is for people who have displayed long-term dedication (10+ years of service or self-advocacy) in a manner that exemplifies the four core values of Christian Horizons by promoting teamwork, collaboration, leadership, or inspiration.

Nominations are now online! Fill out the online form at:
