

Prayer Guide

JUNE 2024

“This is the day that the Lord has made; let us rejoice and be glad in it.”
(Psalm 118:24, NIV)

1 June 2 - 8

“Rejoice in the Lord always. I will say it again: Rejoice!”
(Philippians 4:4, NIV)

Paul was in prison when he said, ‘Rejoice always.’ Constant rejoicing in the Lord shows faith that transcends our present circumstances. Choosing to ‘rejoice always’ is an act of worship, acknowledging God’s unwavering love and unconditional grace. May you find joy not in circumstances but in His presence and promises.

Prayer Points

- We pray for provisions for Haiti as they face food security issues and gas shortages. It is a daily struggle to meet basic needs, particularly South of Port au Prince.
- We pray for protection for our partners, church, and leaders around the world. May they continue to be a light. We pray for wisdom and safety for ongoing supports, particularly in Haiti.

“You make known to me the path of life; you will fill me with joy in your presence, with eternal pleasures at your right hand.”
(Psalm 16:11, NIV)

Life can bring uncertainty, but God’s guidance provides clarity and purpose. It shifts our perspective to the eternal, promising pleasures that overshadow earthly challenges. The presence of Yahweh transforms our present struggles into joy.

Prayer Points

- We give thanks for the glimmer of hope of some aid for Haiti. We pray that the international peacekeeping mission will arrive quickly and be effective in regaining control from the gangs and providing humanitarian aid.
- We pray for healing for those who have experienced trauma both mentally and physically during this time of turmoil in Haiti. Many have had to leave their areas due to the violence and many have lost family members.

“...the joy of the Lord is your strength.”
(Nehemiah 8:10, NIV)
